

CURRICULUM VITAE

Name: Philip J. Landrigan, M.D., M.Sc., D.I.H.

Born: Boston, Massachusetts, June 14, 1942

Wife: Mary Florence

Children: Mary Frances
Christopher Paul
Elizabeth Marie

Education:

High School: Boston Latin School, 1959

College: Boston College, A.B. (magna cum laude), 1963

Medical School: Harvard - M.D., 1967

Internship: Cleveland Metropolitan General Hospital, 1967-1968

Residency: Children's Hospital Medical Center, Boston,
(Pediatrics), 1968-1970

Post Graduate: London School of Hygiene & Tropical Medicine, 1976-77
Diploma of Industrial Health (England), 1977
Master of Science in Occupational Medicine,
University of London (with distinction), 1977

Positions Held:

Current: **Mount Sinai School of Medicine**, Ethel H. Wise Professor of Community and Preventive Medicine and Chairman of the Department of Community and Preventive Medicine, 1990-Present.

Mount Sinai School of Medicine, Director, Division of Environmental and Occupational Medicine, Department of Community and Preventive Medicine, 1985-Present.

Mount Sinai School of Medicine, Professor of Pediatrics, 1985-Present.

Previous: **U.S. Environmental Protection Agency**, Senior Advisor to the Administrator on Children's Health and the Environment, 1997-1998.

National Institute for Occupational Safety and Health, Director, Division of Surveillance, Hazard Evaluations and Field Studies, 1979-1985.

Centers for Disease Control, Chief, Environmental Hazards Activity, Cancer and Birth Defects Division, Bureau of Epidemiology, 1974-1979.

- Director, Research and Development, Bureau of Smallpox Eradication, 1973-1974.
- Epidemic Intelligence Service (EIS) Officer, 1970-1973.

Adjunct Positions:

University of Washington School of Public Health and Community Medicine, Clinical Professor of Environmental Health, 1983 - Present.

Harvard Medical School, Visiting Lecturer on Preventive Medicine and Clinical Epidemiology, 1982 - Present.

Harvard School of Public Health, Visiting Lecturer on Occupational Health, 1981 - Present.

University of Cincinnati, Department of Environmental Health, College of Medicine, Assistant Clinical Professor of Environmental Health, 1981 - 1986.

London School of Hygiene and Tropical Medicine, Visiting Fellow, TUC Institute of Occupational Health, 1976 - 1977.

Harvard Medical School, Clinical Instructor in Pediatrics, 1969 - 1970.

Memberships:

American Academy of Pediatrics, Fellow
Society for Epidemiologic Research, Member
American Public Health Association, Member
Occupational Health Section, Chair, 1989-90.

Royal Society of Medicine, Elected Fellow
International Commission on Occupational Health, Member
Scientific Committee on Epidemiology

American College of Epidemiology, Fellow
Board of Directors, 1990 - 1993.

American Epidemiological Society, Elected Member
Collegium Ramazzini, Fellow
President, 1997-present.

Herman Biggs Society, Member, 1986-1992.

New York Academy of Sciences, Fellow
New York Occupational Medicine Association, Member
Board of Directors, 1988 - 1990.

American College of Occupational and Environmental Medicine, Fellow

New York Academy of Medicine, Elected Fellow

Physicians for Social Responsibility, Member
Board of Sponsors, 1994-95; Board of Directors 1996-1999.

Specialty Certifications:

American Board of Pediatrics - 1973

American Board of Preventive Medicine:

General Preventive Medicine - 1979

Occupational Medicine - 1983

Awards and Honors:

Institute of Medicine, National Academy of Sciences, Elected to membership, 1987
U.S. Department of Health, Education and Welfare, Volunteer Award, 1973
U.S. Public Health Service, Career Development Award, 1976
Centers for Disease Control, Group Citation as Member of Beryllium Review Panel, 1978
U.S. Public Health Service, Meritorious Service Medal, 1985
New York Committee for Occupational Safety and Health, Annual Honoree, 1985
New England College of Occupational and Environmental Medicine, Harriet Hardy Award, 1993
United Brotherhood of Carpenters, William Sidell Presidential Award, 1995
American Public Health Association, Herbert L. Needleman Medal and Award for Scientific Contributions and Advocacy on Behalf of Children, 1995.
International Association of Fire Fighters, Occupational Health and Safety Award, 1995
Physicians for Social Responsibility, Broad Street Pump Award in Environmental Health, 1996
International Society for Occupational and Environmental Health, Vernon Houk Award, 1998
American College of Preventive Medicine, Katherine Boucot Sturgis Award, 1999
Mothers & Others for a Livable Planet, Award for Advocacy on Behalf of the Health of Children, 1999
Earth Day New York, Award for Excellence in Environmental Medicine, 1999
Russian Academy of Medical Science, Elected as Foreign Member, 2000
American Conference of Governmental Industrial Hygienists, William Steiger Memorial Award, 2000
Environmental Advocates (New York), Award for Environmental Advocacy on Behalf of Children, 2000
Top Doctor: Preventive Medicine. Selected by *New York Magazine*, 1999, 2000, 2001
East Siders of 2001. OTTY (Our Town Thanks You) Award, Selected by *Our Town*, 2001
Jacobi Medallion. Mount Sinai School of Medicine, 2002
James Keogh Award. National Institute for Occupational Safety & Health, 2002
Haven Emerson Award. Public Health Association of New York City, 2002

Visiting Professorships and Lectureships:

University of Tokyo, Visiting Professor of the Faculty of Medicine, September 1989
University of Tokyo, Visiting Professor of the University, July 1990
University of Cape Town Medical School, Visiting Professor, Department of Community Health, March 1992
Medical College of Pennsylvania, Catherine Boucot Sturgis Visiting Professor in Community and Preventive Medicine, March 1992
National University of Singapore, Visiting External Examiner in Occupational Medicine, 1994
Duke University Medical School, Visiting Professor, NIEHS Clinical Training Program in

Environmental Medicine, 1995

Mayo Clinic, Department of Pediatrics, Amberg-Helmholtz Lecturer in Pediatrics, 1998

Centers for Disease Control and Prevention, Langmuir Memorial Lecturer, 1999

University of Rochester, 44th Annual Paul W. Beaven Lecturer, 2000

Royal College of Physicians (London), Faculty of Occupational Medicine Richard Schilling
Memorial Lecturer, 2000

Committees:

The White House

Presidential Advisory Committee on Gulf War Veterans' Illnesses, 1995-1996.

American Academy of Pediatrics

Committee on Environmental Hazards, 1976 - 1987. Chairman, 1983-1987.

National Research Council

National Academy of Sciences, Assembly of Life Sciences. Board on Toxicology and Environmental Health Hazards, 1978-1987; Vice-Chairman, 1981-1984.

National Academy of Sciences, Assembly of Life Sciences, 1981-1982;

Commission on Life Sciences, 1982-1984.

Institute of Medicine, Committee for a Planning Study for an Ongoing Study of Costs of Environment-Related Health Effects, 1979-1980.

National Academy of Sciences, Panel on the Proposed Air Force Study of Herbicide Agent Orange,
1979-1980.

National Academy of Sciences, Committee on the Epidemiology of Air Pollutants, Vice-Chairman,
1984-1985.

National Academy of Sciences, Committee on Neurotoxicology in Risk Assessment, 1987-1989.

National Academy of Sciences, Committee on the Scientific Issues Surrounding the Regulation of

Pesticides in the Diets of Infants and Children, Chairman, 1988-1992.

National Academy of Sciences, Board on Sustainable Development, 1995-1998.

National Institutes of Health/U.S. Public Health Service

National Institutes of Health, Study Section on Epidemiology and Disease Control, 1986-1990.

National Institute of Environmental Health Sciences, Third Task Force for Research Planning in the

Environmental Health Sciences; Chairman, Subtask Force on Research Strategies for Prevention of and Intervention in Environmentally Produced Disease, 1983-1984.

National Institute for Occupational Safety and Health, Board of Scientific Counselors, 1995-1997.

Food and Drug Administration, Ranch Hand Advisory Committee, 2000-2001

Department of Defense

Armed Forces Epidemiological Board, 2000-2002

State and Local Government

State of New York, Governor's Blue Ribbon Committee on the Love Canal, 1978-1979.

State of New Jersey, Meadowlands Cancer Advisory Board, Chair, 1987-1989.

State of New York, Asbestos Advisory Board, Chair, 1987 - Present.

State of New York, New York State Advisory Council on Lead Poisoning Prevention, Chairman,
1993 - Present.

City of New York, Mayor's Lead Paint Poisoning Advisory Committee, 1991-1993.
State of New York, Public Health Priorities Committee, 1996.
State of New York, Health Research Science Board, 1997 - Present.

Academic

Harvard School of Public Health, Occupational Health Program, Residency Review Committee, 1981-1983; Chairman, 1981.
New York Academy of Medicine, Working Group on Housing and Health, 1987-1989; Chairman, 1989.
Association of University Programs in Occupational Health and Safety, 1985 – Present; President, 1986-1988.
New York Lung Association, Research and Scientific Advisory Committee, 1986-1989. Board of Directors, 1987-1990.
Milbank Memorial Foundation, Technical Board, 1986-1988.
Mickey Leland National Urban Air Toxics Research Center, National Advisory Committee, 1994-1995.
Cornell University, Dean's Advisory Council in Veterinary Medicine, 1996-1997.

International Organizations

World Health Organization. Contributor to the WHO Publication: “Guidelines on Studies in Environmental Epidemiology” (Environmental Health Criteria, No. 27), 1984.
International Agency for Research on Cancer, Working Groups on Cancer Assessment, October 1981 and June 1986. (IARC Monographs No. 29 and No. 42).

Environmental Organizations

INFORM, Board of Directors, 1991 - Present.
Environmental Health Foundation, Board of Directors, 1993 - 1996.
Colette Chuda Environmental Fund, Scientific Advisory Committee, 1994 - Present.
Children's Health Environment Coalition, Board of Directors, 1996 - Present.
Children's Environmental Health Network, Board of Directors, 1995 - Present.

Labor Unions

United Automobile Workers (UAW) - Chrysler Corporation, Joint Scientific Advisory Committee, Member, 1990 - Present.
United Brotherhood of Carpenters, National Health and Safety Fund, Medical Advisory Committee, 1990 - Present; Chairman, 1994 - Present.
International Association of Fire Fighters, John Redmond Foundation, Medical Advisory Committee, 1989 - Present.
International Brotherhood of Teamsters, National Health and Safety Advisory Committee, 1994 - Present.
George Meany Center for Labor Studies, Board of Trustees, 1994-1997.

Other Organizations

Health Insurance Plan (HIP) of Greater New York, Board of Directors, 1992-1994.
American Legion, Science Panel, Chairman, 1988 - Present.

Editorial Boards

Editor-in-Chief: *American Journal of Industrial Medicine*, 1992 - Present; Consulting Editor, 1979-1992.

Editor-in-Chief: *Environmental Research*, 1987-1994.

Consulting Editor: *Archives of Environmental Health*, 1982 - Present.

Editorial Board: *Annual Review of Public Health*, 1984-1990.

Senior Editor: *Environmental Research*, 1985-1987.

Editorial Board: *American Journal of Public Health*, 1987 - Present.

Editorial Board: *New Solutions: A Journal of Environmental and Occupational Health Policy*, 1990 - Present.

Editorial Board: *The PSR Quarterly: A Journal of Medicine and Global Survival*, 1990-1994.

Editorial Board: *Journal of Public Health Management and Practice*, 1995-1996.

Associate Editor: *Environmental Health Perspectives*, 2002-Present.

National Service

United States Public Health Service, Commissioned Corps, 1970-1985. LCDR(04) to CAPT (06).

United States Naval Reserve, Medical Corps, 1996 - Present.

LCDR(0-4) 1996-98; CDR(0-5) 1 April 1998 - Present.

SOURCES OF SUPPORT

Current Grant Support

Title: **Lead and Organochlorines in New York City (Superfund Basic Research Program Grant)**

Sources & Identifying No.: NIEHSP42 ES07384

Role on Project: Principal Investigator

Dates of Entire Project: 4/1/01-3/31/05

Direct Costs: \$4,152,485

Title: **New York/New Jersey Education and Research Center in Occupational Health**

Funding Source: NIOSH

Role on Project: Principal Investigator

Dates of Entire Project: 7/1/87-6/30/04

Direct Costs: \$3,850,994

Title: **The Mount Sinai Pediatric Environmental Health Specialty Unit**

Funding Source: ATSDR/CDC

Role on Project: Principal Investigator

Dates of Entire Project: 4/10/98-present

Direct Costs: \$100,000 per year

Current Research Contracts

Title: **Mount Sinai - Irving J. Selikoff Clinical Center in Occupational and Environmental Medicine**

Funding Source: New York State Department of Health

Role on Project: Co-Investigator

Dates: 11/1/87 to present with annual legislative renewal

Direct Costs (current year) \$1,950,000

Past Grant Support (Since 1990)

Title: Health Hazards of Child Labor
Funding Source: NIOSH
Role on Project: Principal Investigator
Dates of Entire Project: 12/1/89-11/30/91
Direct Costs: \$72,661

Title: Chemical Epidemiology and the Prevention of Environmental Disease
Funding Source: Charles A. Dana Foundation
Role on Project: Principal Investigator
Dates of Entire Project: 7/1/91-6/30/92
Direct Costs: \$528,000

Title: Health Hazards of Child Labor
Funding Source: W. T. Grant Foundation
Role on Project: Principal Investigator
Dates of Entire Project: 1/1/91-6/30/92
Direct Costs: \$231,214

Title: Early Pregnancy Loss Among Female Office Workers
Funding Source: NICHD
Role on Project: Co-Investigator
Dates of Entire Project: 12/1/89-11/30/93
Direct Costs: \$2,012,080

Title: Prospective Neuroepidemiology of Adult Lead Exposure
Sources & Identifying No.: NIEHSR01 ES05697
Role on Project: Co-Principal Investigator
Dates of Entire Project: 3/1/92-2/28/97
Direct Costs: \$1,342,947

Title: The New York Study of Children's Health and the Environment
Funding Source: New York Community Trust
Role on Project: Principal Investigator
Dates of Entire Project: 1/1/98-12/31/00
Direct Costs: \$117,391 (1/1/99-12/31/99)

Title: The Mount Sinai Center for Children's Health and the Environment
Funding Source: The Pew Charitable Trusts
Role on Project: Director
Dates of Entire Project: 10/1/98-12/31/01
Direct Costs: \$859,500

Past Research Contracts

Title:	Cardiovascular Surveillance and Epidemiology Program
Funding Source:	Triborough Bridge and Tunnel Authority
Dates of Entire Project:	10/1/92-12/31/94
Direct Costs:	\$631,351
